...the Quick
and Easy Way

IF IT CAN BE RE-USED, IT CAN BE RE-CYCLED

The Furniture Reclamation and Delivery Enterprise (F.R.A.D.E) is a registered charity that for the last 20 years has helped to support local people.

We accept most household furniture and electrical appliances, even bikes*. We offer a FREE collection, every piece of soft furniture must have Fire Safety Labels.

(*Drivers discretion is operated on every item).

Everything that you donate is recycled for community good and displayed and sold from our warehouse and shop in Darlington (14-16 Leadenhall Street).

If you are looking for quality, affordable furniture why not pop in and have a look.

F.R.A.D.E works in partnership with Darlington Credit Union to help those in need.
